

PORK TENDERLOIN by Budge Humphreys and Burt Mohr

It doesn't get much simpler than this recipe. Good to fill in if there have been no volunteers to cook.

Serves 60

3 8-9# tenderloins

Spice with your choice of flavors

Place each on a rimmed baking sheet

Bake at 350 F for 1 ½ hours until internal temperature is 145 F

Allow the meat to rest 10-15 minutes before slicing and serving

Serve with cinnamon spiced applesauce
