## Commodore's Comments

Jim Hachman

As you can imagine, January has been a very busy month around the Stockton Sailing Club. The new Board of Directors is getting up to speed, important projects are ramping up, and committees are planning events for the upcoming season. One of the key elements in all of these activities is member involvement. I can't tell you how important it is to support your favorite activities at the club. Without the volunteer members that plan and run the various activities at the club, these great events simply would not happen. Share in the fun... get involved!

The Installation of Officers and Awards Banquet was a great success. Many thanks to Past Commodore Debbie Walker, Susan McLain, and all of the others that helped make this year's event so enjoyable. The Stockton Golf and Country Club prepared an excellent dinner. Let me offer my congratulations to everyone that received awards or recognition for their efforts and contributions to the club during the past year.

If you haven't already heard, the Board has approved the adoption of a new rental agreement. The previous document had not been reviewed in quite awhile, and there were several areas that required updating to properly protect our club and tenants. I really appreciate the effort (spanning several months), that the members serving on the FBI Committee put into preparing this document. Tenants moving into the harbor are already using the new forms. Our goal over the next few months is to update all slip rental agreements, so please cooperate if you are contacted by the office to review and update your documents.

We've had a few of those bright sunny days that remind me - springtime is just around the corner, and I'm running out of time to work on the boat before the season begins. The first cruise is in a week or two, and the first race of the season is about a month away. If you are like me, and need some help getting your boat ready, you might check out the Spring Cleaning Boat Wash being put on by the juniors on March 14<sup>th</sup>. I look forward to seeing everyone at the club, cleaning, and prepping their boats for the upcoming season. - Jim

## DOCKTALK

The DockTalk is a monthly newsletter written and published by the SSC club members. All stories and events must be related to sailing or the SSC.

## SUBMISSIONS

**The deadline for submissions is the 20th of each month!**

Articles, Classifieds, and Event Ads: Can be e-mailed to docktalk@stocktonsc.org. The Editor reserves the right to edit, or exclude anything submitted. All articles and stories must be signed and all classified ads need to have the sellers name and a price.

Photos: Digital photos are preferred. Please save them at medium to high resolution for the best looking images. You may e-mail them, or put them on a CD or disk and place it in the Editor's box in the SSC club house. Please identify the place, event and/or person(s) in the photos. If you wish to have your photos or disks returned, please make sure your name and phone number are on them.

## COMMITTEE REPORTS

### NOTES FROM THE JANUARY BOARD MEETING

#### Harbor Rental Agreement

Susan McClain reported that the new harbor rental agreement is finalized and will be used for all new tenants entering the harbor. Alicia and Susan are going systematically into all the files and finding out who needs insurance and registration information. She will draft a form letter that will go out with the new lease agreement stating what is needed from members/tenants who have slips in the harbor. Reminders will be sent out and published in Dock Talk, so members will be aware of the new harbor rental agreement.

#### Abandoned Boats

There are still a number of abandoned boats that need to be removed from the harbor. The office is working on the proper procedure and paperwork for each one.

#### Dock Permit Update

The D Dock permit has been signed off.

#### Committee Budgets

Each committee that is responsible for spending (Regatta, Social & Cruise, Harbor and Facilities, Junior and SPOC) are required to submit their projected budgets. The FBLI committee will use this input to prepare the annual budget for presentation at the February Board meeting.

#### PICYA Book and SSC Roster Update

The PICYA Yachting Yearbook and the SSC roster are in the process of being updated.

#### PA/Sound System

Rose Eberhard has been asked to gather information and to make a proposal to the board with regards to the needs, requirements, and cost of purchasing a public address system. She will coordinate with the Regatta Committee.

#### POS System

The new POS system has some glitches that need to be fixed right away. Susan is compiling a list of problems and will work with the vendor to get them resolved.

#### Harbor and Facilities

Ad-Hoc Dredging Committee: The board approved the committee's recommendation to establish an ad-hoc Harbor Dredging Committee to evaluate the state of the harbor and determine what action, if any, is necessary.

#### Facility Electrical Evaluation

The board approved the Harbor and Facility Committee recommendation to hire a contractor to perform an Electrical Engineering Study/Survey. We will be provided a report of the general electrical layout that we currently have. We will also be provided a plan/proposal to upgrade our electrical service to meet the future needs of the harbor and shore facilities. Future needs of the clubhouse will also be considered. We are at maximum capacity with our current equipment and will have to have an upgrade in order to proceed with any projects involving electric service.

#### Membership – Harold Farley

New members approved for January are Bruce and Jeanie Douglas and Byron and Beatriz Corley. Welcome! We all look forward to know you better.

#### Regatta – Bob Doscher

Kelly Humphreys and Karri Shepherd will be co-chairing the Regatta Committee. Pat Brown has volunteered to chair the Ditch Run. The Spring Series will have 7 race days instead of 8. There will be no fleet lay days and post-race meals will be cook your own.

#### Rules and Policy – Budge Humphreys

The new policy regarding use of the Retreat was approved.

#### Social & Cruise – Rose Eberhard

Mark you calendar for the following Social events:

Sweetheart Cruise	Feb. 14-15
Crab Feed	Feb. 28
Stag Cruise	March 6-7
Grindstone Joes	March 20-21

Respectfully submitted, Rose Eberhard

## Adventures in Paradise – The Way It Will Be

The Stockton sailing Club social event of the year is done. There was much pomp and pageantry, there was dancing. There was fun for all. There was imbibing of adult beverages

Now we can all get back to the business of sailing. We will be talking about sailors (especially the ones that didn't do what we thought they should have done). We will talk about sailing vessels (bad and good) (yours and mine). We will talk about last year and why we didn't do better during that race and that race and that race. How the sailing gods betrayed us and favored the wrong sailor will come up. Discussions about new equipment (is it class legal?) will be heard. New rules and new interpretations of old rules will take up time at the adult beverage dispensing section. Some enterprising sailor will acquire a vessel so fast they will feel they have a "secret weapon". Tactics (good and bad) (mine and yours) will be explained. Some may forget an important fact, "It's the people not the equipment" but they will be reminded. Rumors will be started, they will be denied and they will flourish. We will lose some friends and gain others.

And when we finally go sailing (we will, we always have.), things will happen some good, some sad and some will be funny. And if I don't see them for myself, your dock mate will tell me about you. So if you tell me about your neighbor first, the funny things that happen will be about your dock mate, not you.

## Spring Cleaning 2004/Meet Our Juniors

Sunday - March 14

The juniors are having a boat wash and luncheon fundraiser.

There will be food for sale and crews ready to clean your topsides or bottoms, just in time for the Spring Series. Look for the poster/sign-up sheet in the clubhouse... and more details in the next DockTalk

## OPENING DAY CELEBRATION!

April 3, 2004

Mark your calendars and be part of a yachting tradition. Father Mark will bless your boat and you too, if you like.

Decorate your boat and win a prize!

Look for more about activities and the theme in the next Dock Talk.

Call Gail Gradle with your ideas at:  
(209)815-4908.

## Fleet Night #2

February 19, 2004  
6:30pm

The racing season is drawing near. The February fleet night should be fun and informative so come on out and bring your crew.

Spring Series packets will be available. Be the first to sign up!
