Stockton Sailing Club History

We can thank Dick Stephens for the Annie figurehead. Annie was a famous old sailing yacht on the San Francisco Bay. She burned in a fire, but her figurehead was saved and stored by the Rixford family. Dr. Rixford visited our clubhouse with Dick and thought the clubhouse would make a great new home for the old figurehead. Soon after, we received the Annie figurehead as a gift.

Slip For Trade

I would like to trade my slip in the San Francisco Bay at the **Emery Cove Yacht Harbor**, 3300 Powell Street, Emeryville, CA 94608, for a slip at the Stockton Sailing Club. I would like to trade slips for the months of June and July 2010. My slip in Emery Cove can accommodate up to a 36 foot boat. A Big THANK YOU!

Loretta and I would just like to say thanks to all those who came out and helped us with Solitude when we pulled her last month. It was our first bottom job and the experience was made more enjoyable by our fellow SSC members. We especially want to thank Tom Lueck, Chuck Jones, John Moyer, Budge Humphries and John Armanino. Without your help, it would not have turned out as well as it did! Also, Allen, Patti and Carlos at Ladd’s were invaluable! Thanks All!

Social and Cruise

We've got a couple of great events coming up that you won't want to miss. The first is Opening Day on April 24th. Tom Lueck is once again organizing this event and it should be great. It starts with the swap meet where you can sell you excess gear – I'm bringing down a spinnaker sock and a bunch of other goodies – or buy some cool stuff at a steal. Later is the blessing of the fleet, lunch and lots of other events. We had a great turnout last year and it should be a lot of fun this year as well.

On May 1st is the Ladies Lunch. Noelle Powell is this year's organizer and she has a fabulous fashion show that you will enjoy while having a delicious lunch. Don't miss it!

There are a couple of non-club events coming up that you might also find of interest. The Encinal Swap Meet is on April 10th. It starts at 6am (entirely too early!) and is known as one of the best swap meets in the Bay Area. Also, the Strictly Sail Boat Show is at Jack London Square from April 15 through 18.

This month's cruising tip is about your anchor line. There's nothing worse than hearing that "plop" sound made by the last of your anchor line dropping into the water and disappearing from view into the murky water. This is a major bummer that'll ruin your cruise and cost you a good anchor. The fix is easy: buy 25 feet or so of yellow 3-strand line polypropylene line and end-splice it to the bitter end of your anchor line. If it should slip off the boat it'll float and you can retrieve it with your boat pole and be back in business.
