Thanks to Pat McHugh for the part of the park which was received from the City of Stockton. In a conversation with the Director of Parks and Recreation, Pat learned that the somewhat secluded south corner of the park had become a nighttime trouble spot and that the director wanted to get rid of it. The problem was solved by moving the fence, which enabled the club to gain room for the lower deck and barbecue, the horseshoe pit, and the grassy area where the Juniors put up their tents.

Cold Turkey Cruise

This years Cold Turkey cruise was a great success even though it rained on Saturday. Randy and Donna Bender along with Bob and Mary Ann Brown did a great job of organizing this event. Everything came off without a hitch. The Friday night “cold turkey” pot luck complete with a fire pit worked out well. On Saturday most of the cruisers went to breakfast at the Striper Café. The food is always good but the highlight for me was realizing Budge was wearing his “old fashioned” long johns complete with the “trap door” . Everyone was LOL over that... After breakfast we took a tour of the town and the great little shops. Some of us played board games in our cozy cabins during the periods of rain while others played games in

the covered outdoor area by the fire pit. Around 3:30 everyone joined up in the outside area for some great hors d’oeuvres. Saturday night about twenty five of us went the “Point” restaurant for a great dinner and socializing. The sun was up early Sunday morning and few of us headed to “Lucy’s” for a quick breakfast before heading back towards Stockton. There was a little wind and we were able to sail part of the time. This really is a fun cruise... I know we’ll be having many more throughout the coming year... hope you’ll join us.

If you would like to host a cruise or event get hold of the Social and Cruise committee, anytime and share your ideas. Remember that most events that have been sponsored by the Stockton Sailing Club have a folder in the office to help you plan it. The office staff can help answer any additional questions you might have.
