Commodore's Report

Hello Members,

Considering the time of year, February has been a busy month. We had some great Friday Night dinners by the Supper Club, the Past Commodore and Megan, a fun Valentine's Day Cruise and a Valentines Dance. Then there was the annual Crab Feed and an informative session at the February Fleet Night.

Coming up in March, the Spring Racing Series gets underway. Several members are preparing their boats, including some new boats and some of our new members. If you are not ready better get with it. Oh, and don't forget Pi day on Saturday March 14th at 5:00 pm.

Thanks to all the Club members that have been helping our High School Racing Team both with their FJ Racing and their preparations for a couple of keel-boats in the Spring Series.

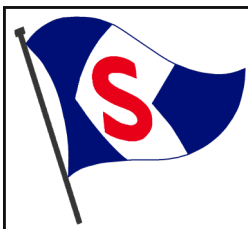

Remember, SSC—"Where the Fun Begins!"
