## Commodore's Report

Greetings Members,

As most of you know, we lost two great members in October, Pat Felten and Larry Samson. Both will be greatly missed at the Club and by their families and friends.

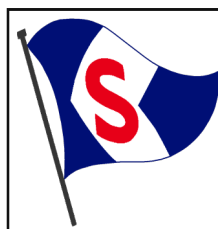

In happier news, the Bar Remodeling Project is finished as well as the new patio located under the Clubhouse. Mile Little and Tom Lueck headed up the projects and several other members volunteered their help.

The Warehouse Lease Project is moving forward. The Fire suppression system is scheduled to be finished by the end of November and the main project should be completed by the end of January.

Come on out and go sailing!

Marvin McDougal, Commodore

# *SSC Election 2020*

Members, get those ballots in before 7:00 PM Friday , November 13, 2020. Volunteers will start counting at 7:00 PM. In normal years this would be a General Meeting Night, but due to the Covid-19 Restrictions and the predicted very cold evening we are not planning a meeting or dinner. Results and other information will be distributed by email over the weekend. Following is the candidate information:

## *Committee Reports, Jeanette Notman reporting.....*

**FBLI-** Committee reviewed the repayment schedule for capital improvements by the State of California to the Stockton Sailing Club. The committee sought to insure adequate reserves were kept in place for the Club's operations and made its best recommendation to the Board of Directors. This was done to insure the Club's financial position is sound and safe going forward.

**HARBOR AND FACILITIES-** As soon as the State begins to pay rent dock renovations will be started. A new chair person will be elected for the upcoming year.

**JUNIORS-** Lorie Kruse and Marc Niemeyer will co-chair the junior committee for 2021. Secretary is Lorie Kruse and treasurer is Annette Smith. Juniors elected to junior board include Bella Crotty as commodore, Ashley Ragan as vice commodore and Mindy Claypool as secretary. Fall FJ race clinic for current and prospective race team members is scheduled beginning November 5. Space is limited. See club website for details or contact Lorie Kruse (209)986-6348. Juniors are working on a boat cleaning program to assist juniors with their racing fees and costs. Contact Marc Niemeyer for more information (916)412-1916. Concerns were mentioned about the junior room that has been accessed on several occasions and left not only unlocked but equipment thrown on the floor, borrowed and not returned.

**SOCIAL AND CRUISE-** Linda Buck will serve as chairman in 2021. Corona virus restrictions are being followed with a 25% occupancy in the clubhouse and outside events with no more than 100 attendees. Lori Werner is putting together a "Cruising Handbook" for members to use. Suggestion was made to possibly have food trucks at SSC one Friday per month as an alternative to cooking. The SSC webpage has been revamped and is more user friendly with information on upcoming events. Calendar for 2021 has not been created yet.

**REGATTA-**Due to Covid and the small number of races completed and lack of regatta income, no regatta awards will be presented this year. Virtual beer can races are being held on Thursday evenings. If you would like to check it out, send email to [regatta20@stocktonsc.org](mailto:regatta20@stocktonsc.org). The 2021 racing schedule has been submitted to YRA for inclusion in the master calendar and for US Coast Guard permitting. Schedule will be modified if needed due to Covid restrictions. Chris Shepherd will continue to Chair the committee in the New Year.

## Friday Night Dinners

Have you been out to Friday Night Dinner lately? Lots of fun, good conversation and great food. Covid-19 restrictions require us to serve dinner outside in the Retreat but we have had some great fun! Watch your email and text for notifications. Some nights are too cold and then there is rain. But, if your email says it's a go bring your jacket and mask and come on out.

## From the Galley

This month's recipe is from our great chef, Jeff Canepa. He made us some amazing food at the general meeting on October 16th. Thought we'd share his recipe for the chicken. It is an old recipe handed down by his father's Italian heritage.

### ITALIAN CHICKEN

- Start by rubbing down the chicken with olive oil.
- Usually smaller pieces of chicken is used (like thighs)
- Season chicken with salt & pepper and Italian seasoning mix.
- Drain any excess olive oil so you don't stew the chicken or cook on a rack
- Bake at 350 degrees for about 45 minutes
- Last 10 minutes increase temperature to 450-500 degrees
- drizzle red wine over the chicken to deglaze it and make a delicious sauce
- cook until the alcohol smell is gone

ENJOY!!!

Thanksgiving is almost here. So as an added bonus we decided to include Jeff's dessert that He makes for the Thanksgiving dinner at the club.

### CRANBERRY- MARSHMALLOW SALAD

Put 1/2 pd. of cranberries in food processor, then use 1 cup sugar to cover and let it sit for 24 hours.

- 1/2 pd of seedless grapes cut in half (black or tokay recommended)
- 1/2 cup of chopped pecans or walnuts
- 
- 3 cups miniature marshmallows
- 
- 1/2 pint whipping cream- whip and add flavoring or more sugar if you want
- 

Fold everything together and serve!

ENJOY!!!
