## Editor's Comments

Hello Members:

The election for the SSC Board vacancies for 2023 is coming up in October. A slate of Nominees has been selected and is published on the following pages. Watch for your ballot in the mail in mid October.

Also coming up in October are the annual organization meetings of the Committees. We are a volunteer club and much of the Club's work is handled by the various committees. Please pick your specialty and join up. Sign-up sheets are posted in the Clubhouse or you may call the office and have your name added to your choice. If you have trouble making it to the Clubhouse in evenings during the week, you may still participate in most committee meetings by Zoom.

Next year is the 90th Anniversary of the founding of the Club. Pam Wright is heading up an ad hoc committee to plan several fun activities during the year.

Let's all go sailing!

Having been a member of the sailing club since 2001, and having a great time sailing and being a part of this community, I decided again to run for the position of Vice Commodore on the Board of Directors. I have spent four years as treasurer, one year as rear commodore and now I'm running for vice commodore. With your help and vote of confidence, I hope to continue working on the Board. My time on the Board has given me a great amount of knowledge about the Club and what it takes to make this Club the friendly, fun place it is.

Sam Dameron

Dear friends,

I am honored to be nominated as a candidate for Vice Commodore. Our club is a special place, rich in history and tradition. My family and I have enjoyed our membership for many years and look forward to many more.

We live in extraordinary times. Our leaders need to be sharper than ever to insure our longevity and financial health as an organization. I ask for your support. I ask for your vote. Allow me to go to work for you and I will use all my personal and professional skills to be a leader you can count on.

Our best days are in front of us. I'm counting on you.

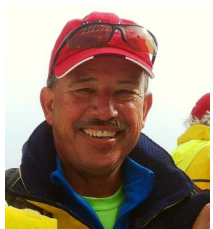

Robert "Bob" Doscher

Why I am Running for the Office of Rear Commodore

When we joined the club, it was all about the boat. We had only weekends to get to the Stockton Sailing Club and our time was used to learn to sail on our new (to us) boat. But after we retired, we began to use the club more. We discovered all the advantages of the site and events and met more of the great members. From that time forward we have given our time to help and improve this amazing place. Serving on the Board is an opportunity to make sure this club continues to be here for others. I am grateful to those who served on the Board over the years so that I can enjoy the Stockton Sailing Club.

Pam Wright

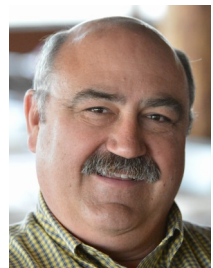

I have been an active member since 2006. As a Learn to Sail Administrator and advisor for five years, I guided a struggling program into a profitable one resulting in one of the highest attended and grossing programs in the history of LTS. I have been a past Committee Member on both Harbor and Facilities, and FBLI. An active racer for over 10 years. Organized multiple wine tasting events for Friday Night dinners. I have been a Head chef for Ladies Luncheon for mutable years, as well as a co-chef for many Friday night and Supper Club dinners.

Presently, I have been a Director on the Board for the past two years. I have always strived to be a positive member to the SSC membership. As a Rear Commodore to the SSC board I will continue to be a positive member for you.

Thank You  
Jim Painter

I am a long time member and love this sailing club. I am running for a Board of Directors position to learn and contribute to the inner workings of the club. I have been sailing/racing for 40 years, worked as ED nurse for way too many years, had a Legal Nurse Consulting business and rental housing business, cared for a young husband with Alzheimer's Disease, and attended and led support groups for many years. I've traveled far and wide. But, I can still learn more and look forward to a position on the Board. Karen Juncker, RN

Greetings to the membership, of the Stockton Sailing Club. Most of you know me, I am, William "Budge" Humphreys and I am running for the position of Director on the SSC Board of Directors. I have served on the board in the past, along with multiple committees.

If elected, I will once again, do my best to uphold the By-laws, Rules, Policies and Traditions of the Stockton Sailing Club. I promise to put the interests of the membership first.

Thank you for your Vote

Wm. Budge Humphreys

Very pretty, blue and green modernistic oil painting by the late Danny Garcia in the early 1960s. Frame is 34"W, 44"H, exposed canvas is 29 X"W, 39 X"H. Danny Garcia was born in Monterey, Ca. in 1929. He was known as an Impressionist and painted many scenes of the Monterey Peninsula throughout his years of art. His hobby was sailing, and he was the past Commodore of the Stillwater Yacht Club of Pebble Beach. In his youth on Cannery Row, Danny worked for 3 years as a lab assistant for Ed Ricketts, the true-life character of "Doc" in John Steinbeck's famous novel, "Cannery Row". Some private collectors who have bought his paintings were Princess Margaret, Greer Garson and Frank Sinatra. This painting was owned by the late Glen Mortensen, Architect, who designed Burns Tower at U.O.P. here in Stockton. (Printed material on Danny Garcia will be included.)
